### Excavation Permit Requirements

1. Before an excavation permit is issued the owner and the contractor, each, acting individually, will be required to comply with the terms and provisions of all the Town Ordinances, Rules and Regulation, including, but not limited, to Building Code and Zoning Ordinances.

2. The contractor or the owner, or both if necessary, will be required to enter into an Insurance and Indemnification Agreement with the Town, the entire terms and provisions thereof being set forth in full in the Excavation Permit Form that will be issued if this application is approved.

3. It is the Applicant's and Contractor's responsibility to thoroughly familiarize themselves with such terms and provisions prior to the signing of an acceptance of such Permit.

The undersigned hereby applies for an Excavation permit and further certifies that the undersigned had read the foregoing Application and knows the contents thereof, including the Requirements as set forth, and that the undersigned, individually or in behalf of the entity applying for this Permit, agrees, as a condition precedent to the issuance of the Permit applied for, that the same may be revoked, cancelled, temporarily suspended or withdrawn by the Town of La Jara for cause, and that the Permit may be

revoked at any time for misstatement or omissions in the foregoing Application, or for any violation of any Town Ordinance, rule or regulation, including, but not necessarily limited to, failure or refusal to comply with the Town's Building Code or Zoning Ordinances, s the case may be, or of any other legally-adopted rule, regulation, ordinance or statute of any federal, state, county, or local agency having concurrent jurisdiction.

Applicant further certifies that if an Excavation Permit is issued in connection with the Application, as a condition precedent to the issuance of such a permit, the Contractor or the Applicant, or both, if necessary, will be required to provide evidence of insurance and indemnification coverage as more fully set forth in said Permit.
